Sir,

In order to extend maternity relief in rural areas the Taluk Boards appointed midwives trained at the Lady Goschen Hospital Mangalore in some important centres where no dispensaries were opened. The employment without registration in medical institutions of the midwives who were already trained or who were undergoing training at the time in that hospital was sanctioned in Government Order No. 1555 Ms. P.F. dated 26.8.1931.

All the midwives who were trained in 1931 or earlier could not be appointed in medical institutions for want of vacancies or in rural dispensaries for want of sanction of the subsidy. There are 12 midwives belonging to this class working in villages

where there are no dispensaries. These were trained at the Lady Goschen Hospital. Of these the following midwives were trained prior to 26.8.1931.

1. Prithy Joseph , L. F. Midwife , Feringapet
2. C, Chandravati Bai do Bekal
3. Mercy Santhappa " Ullal
4. Malai Mani " Puttige.
5. P. Kalyani- Trikarpur
6. Sumitry Funder. Nileshwar.

The Director of Public Health, Madras, in his of 35 R.No. 1284 /5/7, dated 6.2.1936 (copy enclosed) thinks that the exemption granted in Government Order No 1555 of dated 26.8.1931 does not appear to apply in the case of the above midwives. But the Surgeon-General in his P.No. 76 G dated 11.5.1935 (copy enclosed) is of opinion that the midwives may be employed without registration.

The question to be decided now is whether or not the midwives working in the villages referred to above and trained at the Lady Goschen Hospital prior to 26.8.1931 could be continued in the department as L.F. midwives in view of the exemption granted in Government Order No 1555 Mis P.H. dated 26.8.1931 without their passing the Board Examination. I request that Government may be pleased to issue instructions in the matter.

Your obedient Servant,

President.

Proceedings of the Surgeon-General with the Government of
Madras.

P. No. 76 G

Dated 11. 5. 1935.

To

The District Medical Officer,
South Kanara, Mangalore.

Reference. Correspondence ending with your letter R.No.13. S.35 dated
20.3.1935 regarding midwives who underwent training in mid-
-wifery in the Lady Goschen Hospital, Mangalore, prior to
its recognition as a training centre for vernacular mid-
-wives.

The Surgeon General considers that the midwives exempted for
employment without registration with reference to G.O. No.1555 P.H.
dated 26.8.1931 need not appear for the Board Examination now. The mid-
-wives who are not employed at present but who passed the examina-
-tion before August 1931 referred to by you may therefore be employed
- without registration.

R.No. 1284/5/7 of 35 dated 6.2.1936.

Sir,

Ref. Your letter R.O.C. 1307/A4/35 dated 18.11.1935.

I have the honour to inform you that the G.O. No. 1555 of 26th August 1931 does not appear to apply to the midwives in question. The 3 unregistered midwives, i.e. (1. M. Ugamma (2) Monthu Mary Saldanha and (3) F. Salins) may be required to sit for the Board Examination and retained in service if they pass. As regards the five midwives (1. Mercy Santhappa (2) Malali Mani (3) Chandravathi Bai (4) P. Kalyani and (5) Sumitry Kunder) considered by you to have been granted exemption by the above Government Order, Government should be requested to state whether these may be included in the Order No 1555 of 26.8.1931 exempting their colleagues in medical institutions from registration. They should be sent each for a refresher course of 3 months even if the exemption is recognised by Government. The District Health Officer reports that the following midwives ----- reported as registered by you, are unregistered.

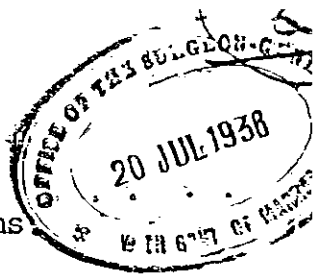

1. Prithy Joseph
2. Pauline Rego.

He is being asked to explain the discrepancy. After his investigation and report they will be considered along with the group to which they are found to belong.

The registered midwives should be granted salary and allowances according to G.O. No 2884 P. H. dated 17th December 1934.

2nd part up

Regarding your suggestion that the lady assistant surgeon in charge of women and children hospital, Mangalore may be asked to supervise the midwives. The Lady Assistant Surgeon is a resident Government Officer and cannot undertake touring duties on behalf of the District Board. The arrangement suggested cannot be approved by

re for the above reasons.
